

These guidelines contain information that you need to be aware of when applying for ACICIS' Agriculture Semester Program in Indonesia. Please contact the ACICIS Secretariat if you have any questions. **Additionally, do not complete this application without first reading the semester pre-departure guide for your chosen program. It contains valuable information on accreditation matters, visa conditions, pre-post program travel conditions, and other important matters.**

Application Closing Dates.

August-January Semester: 15 April.

February-June Semester: 1 October.

Applicants must submit all accompanying forms, guarantees and monies (as applicable) by the due date. Applications postmarked after the due date will only be considered under exceptional circumstances and may incur a late fee.

Visa and Travel Requirements

Applicants are required to have a passport valid for **at least 22 months from the application closing date.**

In Australia, all visa processing must be conducted via the ACICIS Secretariat (individual processing in Sydney or Canberra is not permitted).

For students from other countries or students travelling abroad prior to program commencement visas may be issued from overseas Indonesian consular missions (eg in Singapore). Applicants in this position should contact the Secretariat for advice.

APPLICANTS OBTAINING VISAS IN PERTH VIA ACICIS WILL BE WITHOUT PASSPORTS FOR 6 WEEKS PRIOR TO DEPARTURE.

APPLICANTS OBTAINING VISAS OVERSEAS MUST NOMINATE A PROCESSING POINT ON THIS APPLICATION. THIS CANNOT BE CHANGED ONCE APPLICATIONS ARE SUBMITTED.

ARRIVAL DATES ARE INFLEXIBLE. YOU MAY NOT ARRIVE IN INDONESIA MORE THAN THREE DAYS PRIOR TO THE COMMENCEMENT OF THE PROGRAM.

ALL APPLICANTS WILL BE WITHOUT PASSPORTS FOR UP TO TWO MONTHS AFTER ARRIVAL IN INDONESIA. NO OVERSEAS TRAVEL IS POSSIBLE DURING THIS PERIOD.

ALL APPLICANTS MUST ARRANGE THEIR EXIT PERMITS FROM INDONESIA TEN DAYS PRIOR TO FINAL DEPARTURE FROM THEIR CITY OF STUDY. YOU CANNOT SIMPLY LEAVE INDONESIA AT A TIME AND PLACE OF YOUR CHOOSING.

Carefully consider any pre or post program travel plans in light of these conditions. They are non-negotiable and ACICIS will not intercede on the behalf of applicants who make travel plans that clash with immigration requirements.

Accompanying Family Members

The spouse and children of participants may apply for a dependent visa as accompanying family. Application forms for accompanying family members are available for download from the the ACICIS website. Only married partners and children are eligible for dependent visas. Non-married couples should contact the Secretariat for possible alternative arrangements.

Course Accreditation

ACICIS will provide a student's home university with two assessment documents:

1. **Official academic transcript** from the Indonesian host university consisting of a numeric or alphabetic grade for each subject undertaken;

2. **Resident Director's Report.** The Resident Director (RD) provides a one-page report outlining a student's academic performance and extra-curricular involvement. The report is based on the Resident Director's contact with a student throughout the course of the program and on a final exit interview. In accordance with standard ACICIS practice, overall student performance will be assessed by the RD only on a "satisfactory/unsatisfactory" basis (equivalent to "ungraded pass/fail"). A student's home university retains the right to require and grade further assessment tasks, including a portfolio or reflective diary summarising the student's in-country experience.

Hard copies of a student's assessment documents will be mailed to the student's home university **within three months** of the conclusion of the semester program. Private participants will have their results forwarded to the address supplied in the original application. Advance electronic copies of a student's results may be made available earlier. Please contact the ACICIS Secretariat for details. Priority cases can be managed for students who are due to graduate or require them for urgent re-enrolment purposes. If you require priority processing of semester results, please notify the ACICIS Secretariat as soon as possible so that steps can be taken to expedite their release.

There is a AUD\$50 fee for the re-issuance of official university transcripts.

Withdrawal

All arrangements for student withdrawal from ACICIS courses are determined by the Indonesian institution at which they are enrolled and by the regulations in force at their home university. Withdrawal from or non-attendance at courses may result in students being given a "fail" grading.

Tuition fees will not be refunded after commencement of orientation. In the case of Australian students, these dates differ from normal HECS/HELP withdrawal dates so although students can withdraw at any time, home institutions may not withdraw HECS/HELP liabilities as payment will have already been made on students' behalf.

Home universities may require applicants to repay tuition fees to the university in the event of withdrawal.

The ACICIS Secretariat requires written notification of withdrawal before departure.

Disclaimer

Indonesian government and university regulations and fees may change at any time without notice, and are beyond the control of ACICIS. ACICIS reserves the right to pass on to participants any Indonesian government or university price increase up to the commencement of the orientation period. Participants will be expected to cooperate with the Secretariat when advised that such changes have occurred.

- The Home University has strongly recommended that I discuss my plans to study in Indonesia, and this acknowledgement and waiver, with my next of kin.
- My acknowledgements as detailed above are conditions precedent to, and will be relied on by, the members of ACICIS for the time being and the Home University in considering and granting my application for acceptance into the programme.
